About Us

UNIVERSAL INSTITUTE OF PHARMACY is being successfully running under the Aegis of H S SEVA TRUST BAREILLY. The trust was formed in year 2017 followed by the vision and aim of servicing the nation by providing world class education, health, sports and other facilities at every level of the society so that the upcoming generation may contribute more enthusiastically by attaining specialised & professional power of knowledge.

So to accomplish the aim and vision of H S SEVA TRUST. We took a step forward to establish the pharmacy institute named as UNIVERSAL INSTITUTE OF PHARMACY.

INSTITUTE OF PHARMACY

Founder's Message

I am delighted that you are considering pursuing higher studies at universal institute of pharmacy. Going to the institution is an exceptional chapter of your life and it will change your life forever. The beginning of a journey.....often we close our minds and with predefined notions and ideas. I believe the best way to teach is by learning yourself.

Personally, I am also a firm believer that the Future of Our Nation lies in education. It is our foremost duty to groom the youth and channelize their energy for the nation's growth. The path of this Institute is the outcome of careful planning and meticulous execution. It is definite to reach higher levels of teaching, learning, research, innovation, incubation, and entrepreneurship. This stride to churn the youths to a valuable citizen.

INSTITUTE OF PHARMACY

Vision, Mission & Values

VISION

To be recognized worldwide as a premier Institute with a vision to provide education of international standards. Our vision is to build superior professionals with strong work ethics and to empower the world with a commendable work force adept at meeting the challenges of the 21st century.

MISSION

Our mission is to empower each section of our society through education and produce socially committed professionals. Our mission is to provide our students a sense of understanding for values and ethics, a commitment to law and morality, and appreciation of human creativity.

VALUES

- We live integrity, civility and honesty.
- We relentlessly pursue excellence.
- We embrace diversity and inclusion.
- Creativity, inquiry and innovation are our culture.

Courses Offered

B.PHARM (Bachelor of Pharmacy) Duration : 4 Years

Bachelor of Pharmacy is an undergraduate Pharmacy course. Pharmacy is the art and science of preparing and dispensing drugs and medicines. The duration of B.Pharm programme is four years whose curriculum is covered in Eight Semesters. B.Pharm curriculum provides valuable knowledge of health care and biochemical science. Students are expected to perform a number of experiments along with theory classes. Pharmacy education and profession in India up to graduate level is regulated by the Pharmacy Council of India (PCI), a statutory body governed by the provisions of the Pharmacy Act, 1948 passed by the Indian Parliament.

D.PHARM (Diploma in Pharmacy) Duration : 2 Years

Diploma in Pharmacy is a 2-year full-time Diploma course. D.Pharm has been designed to prepare candidates to work under the supervision of a licensed pharmacist in hospitals, community pharmacies, and other related pharmaceutical fields.

COURSE	B.PHARM	D.PHARM
Duration	4 years (8 Semesters)	2 years
Eligibility	10+2 (PCB/PCM)	10+2 (PCB/PCM)
Higher Studies	M. Pharm, Ph.D. Pharmacy	B.Pharm

Career Opportunities

After the completion of the pharmacy studies, one can find employment in various hospitals & pharmaceutical companies etc. or they can run their own pharmacy store too. Once you complete in your B Pharm you have a host of career opportunities waiting for you. Student can either go for higher studies like M.Pharm, MBA & Ph.D for improving their skills and up gradation of their degree or they can go for jobs in the chemical companies, research institutes, pharmaceutical companies, even universities, and colleges.

Unlike other pharmacy-related courses, which have a greater focus on drug manufacturing, Pharma diploma provides a broad-based training - so students are more versatile. This will open doors to jobs in hospital or retail pharmacies, as well as the pharmaceutical industry. Those having Diploma qualification in Pharmacy can work as a Pharmacist in Govt. /Semi Govt. / Private Hospitals.

FACILITIES

Classrooms

Class Rooms at Universal Institutes are spacious, airy and well ventilated. The furniture is designed keeping in view the comfort and the necessities of the students. The class rooms are equipped with modern teaching aids such as Over Head Projector, LCD Projector, Magnetic Boards, Power Presentation Techniques (PPT), Public Address System etc.

Pharmaceutical Labs

Pharmaceutical Sciences Labs includes Pharmaceutic Lab, Pharmaceutical Chemistry Lab, Pharmacology Lab, Computer Lab, Machine Room and Instrumentation room etc. All the above said labs have latest equipment's in sufficient number to meet the requirement of the students.

Language lab for improving English communication skills

English language communication skills labs play a vital role in the developing communication skills among the students. Students from various cultures feel hard to learn English and its proficiency. The thirst of English language learning needs some solution.

Transportation

Well maintained buses of Universal Institute are running from all around the city to facilitate our students and make their way from institute to home and vice-versa an easy and safer deal.

UNIVERSAL
INSTITUTE OF PHARMACY

Sports

We regularly conducts various activities where students would like to indulge in playing cricket, volley ball, badminton, etc. Universal Institute encourage students to improve their overall personality.

24×7 Wifi Internet Connections

All the academics blocks, hostels, library and other central facilities are interconnected through access points to campus wide wireless network. The power of internet and its capabilities to support the academics research and studies, sharing knowledge is well known. For the same purpose, the institute provides internet access through a 32Mbps 24×7 Internet Broadband link.

Dispensary & Medical Facilities

Universal Institute has a dispensary running in the premises itself to provide proper medical facilities to not only students but staff, faculty members, workers and even the residents of the local area.

Library

Library is an indispensable part of any Institute imparting its services to the students, faculty members and other staff members. We assure you to offer the best library services.

Cafeteria

The institute's Canteen is spread over an area specially designed to comfortably serve students. An all day cafeteria ensures refreshments for “busy minds”. Apart from serving tea, coffee, cold-drinks, fruit juices, ice creams & fast foods the canteen provides special lunch packs.

Computer Lab

The Institute maintains a well equipped computer lab having the efficiency to meet the requirement of computer networking including of Audio & Visual communicating facilities for students.
